MAMMOTH CIVIC RALLY
SET FOR NOVEMBER 1

By CLYDE T. GORDON

In an effort to fully acquaint local citizens with all particulars of proposal Number One to amend Section 37 of the city charter, a joint organization and citizens rally will be held Wednesday night, November 1, at the Cornell School Auditorium at 8 p. m.

This rally, in which all local citizens and organizations are urged to participate, will feature a round table discussion from the stage in which civic leaders, heads of local fraternal organizations, service clubs, Dad's clubs, city officials, etc., will take part. They will not only question one another regarding the needs of the different departments of the city including recreation, engineering, fire and police protection, etc., but will also answer all questions propounded on citizens attending the rally.

In addition, Assemblyman Gardner Johnson, Albany's representative in the State Legislature, has promised to attend the rally and will discuss the State's interest in the measure and detail plans that have already been set up by the state for post war planning on a state-wide scale. Johnson will also point out to local citizens to what extent the state will financially assist Albany in post war projects and planning if the measure is favorably acted upon by Albany voters.

The proposed amendment, which will increase by thirty-five cents per one hundred dollars of assessed property valuation, at an average cost to each home-owner of approximately \$5.00 per year over a ten year period, will raise approximately \$29,000 per year, which, when matched by expected State and Federal appropriations, will enable the local post war planning committee to make plans for civic developments, improvements, etc., which are badly needed at this time and which are impossible to attain under the present tax program of the city.

Public facilities under consideration by the local post-war planning committee which is composed of members of the Planning and Zoning Commission, assisted by local civic-minded sub-committees include a civic center to house all municipal offices, including police, fire, recreation and street departments; playground facilities west of San Pablo and enlargement of existing playgrounds to house youth and adult groups; construction of a swimming pool; sewage disposal and sanitation and street improvements.

Dads Entertain
Football Team

On Tuesday night, October 24, the Albany High Dad's Club will hold its annual football night. Guests for the evening will be the members of the Albany High football team and their dads.

A very interesting program has been arranged by program chairman Paul Fliegel. Among the members planned will be the Albany High Glee Club and some very fine football pictures.

Any high school boy may attend, provided he brings with him his dad or some other dad. Refreshments will be served in the cafeteria to the boys and their dads after the program.

Lt. Lloyd Jester U.S.N.
Guest of Auxiliary

Albany Unit, 292, American Legion Auxiliary will meet for regular session next Monday, Oct. 23, at the Veterans Memorial Bldg., with Mrs. Edith Jones, president, presiding.

Lt. Lloyd Jester, U.S.N., will be guest speaker, according to Mrs. Jones High, program chairman. All members are urged to attend, and also a cordial invitation is extended to the husbands and Legionnaires.

Pearl Coe, music chairman, has arranged for very special music for the evening.

If a man has acted right, he has done well, though alone; if wrong, he has acted badly, though with a crowd. —Fielding.

Reception Sunday
For Lt. L. Jester

The attractive home of City Attorney and Mrs. Joseph Yovino, located at 707 Gateview Avenue (west side of Albany Hill) will be the setting Sunday for a reception to honor Albany's Chief of Police Lt. Lloyd Jester. Friends of Jester's are cordially invited to the Young home between 3 and 6 p. m.

Lt. Jester, now on military leave from the police department, has been in Albany for the past few weeks, visiting with his family and friends. During his 'leave' he also has found time to appear before different clubs and at school assemblies and relate many of his experiences of the past 22 months, 18 of which were spent in South America. Previous to his entering the Navy Jester had been twice elected (four-year terms) Albany's chief of police and before that he was connected with the Alameda County district attorney's office.

He has been assigned new duties and expects to leave next Thursday.

Exchange Club
Announces Full
Program for Year

Albany Exchange Club members announce they have a "full program ahead for this year." A trio consisting of Dr. Robert Taylor, Earl Ivy and Chief of Police Stanley Williams have undertaken the task of supplying 30 ducks for the club's big annual duck dinner on October 31.

At the Tuesday evening meeting Councilman "Bizz" Cleary, president and Lt. John Van Scotton, of the Royal Dutch Navy and a member of the club, was guest speaker. Ed Wetmore of the Key System safety department, also gave a short talk on First Aid and accident prevention. The members individually endorsed Propositions 1 and 2 on the Albany ballot in the forthcoming November 7 election.

A 'stag' meeting has been scheduled for November 7 at the Claremont Hotel, and another meeting will be held at Bill Garren's home on November 14.

A Christmas party is being arranged by Ed Haran, Johnny Downs and Ray Bugee, which will be held at Hotel Alameda in December.

Albany's City Attorney Joe Young was "hunted" at the last meeting by Fred Agabastian who, to date this year, has had more guest cousins attending club meetings than any other member. Joe, however, commented: "Well, I guess it is better to be 'runner-up' than to have 'no cousins at all'."

Jack Sloan, vice-president of the club is expected to return from an insurance convention to preside over the October 24 session. The club board of control met at the home of Ed Haran on Tuesday, October 18.

Cub Scout Dads
Plan Activities

The Marin Dads Cub Scouts committee meeting was held at the home of Wilfred Steele, 913 Carmel St., Albany on the evening of Thursday, Sept. 12th, to plan for future pack activities.

Plans for the first advancement of the 1944-45 year to be held on Oct. 27th in the Marin Auditorium were completed. All mothers and dads should be on hand to assist their boy in making this milestone in their lives a memorable one. In addition to the regular advancement four boys, namely Ashford Pate, Douglas Steele, Elwin Layton, and Jerome Bellerive who have reached the age of twelve will be graduated into the regular scouts.

A handicraft exhibit is planned and will be under the supervision of committee men Tillisbury and Easter. These items are made by the boys under the supervision of their Den Mothers and Den Chiefs during their regular weekly afternoon meetings. An entertaining motion picture will be shown as a climax to a perfect evening.

PROCLAMATION
TO THE CITIZENS OF THE
CITY OF ALBANY:

WHEREAS, it now seems evident that the Armed Forces of the United States, in cooperation with our allies, will achieve victory over our enemy in the European theatre, and

WHEREAS, cities and communities throughout the State of California are now making plans to celebrate said victory, and

WHEREAS, said victory already has caused and will cause great sacrifices of life and human suffering, and it appears fitting that the celebration for said victory should therefore be on a high level,

NOW, THEREFORE, I, BERT E. HILL, AS MAYOR OF THE CITY OF ALBANY, do hereby request the citizens of the City of Albany, our civic and church leaders, and all organizations planning celebrations for said day of victory, to confine said celebration to patriotic and spiritual expressions only; to arrange such programs for said day of celebration with the thought in mind that our Armed Forces will still be in various battlefields throughout the world, and will be unable to join with us in said celebration and that they will still have the task of obtaining victory over our enemies in other parts of the world.

BERT E. HILL,
Mayor of the City of Albany.

SUPPORT
PROPOSAL
NUMBER 1

By CLYDE T. GORDON

Albany's Citizens' Committee last Friday night at their regular monthly meeting voted unanimously to go on record as supporting proposal Number One to amend Section 37 of the city charter according to Harold Olson, chairman of the local committee which is composed of representatives of practically every organization in Albany.

The proposal, which reads: "Shall Section 37 of the Charter of the City of Albany, limiting the annual tax levy, exclusive of tax for other purposes now set forth in said Section, to One Dollar on each \$100 of assessed valuation, be amended to permit the City Council to make a special levy of an additional thirty-five (35c) cents on each \$100 of said valuation, the funds derived from said special levy to be used exclusively for post-war planning and development and creation of jobs, and the general welfare of Albany's returning servicemen and women of World War Two, said special levy to be limited to ten (10) years?" was discussed at length during the session which was open to the public and received the whole-hearted endorsement of all present.

It was pointed out in the discussion that the national figure for cities the size of Albany which plan a comprehensive post-war program of public works involves an expenditure of \$9.40 per resident a year for a period of at least five years after hostilities cease, helping to create jobs to cushion the transition period and catch up on needed improvements.

The proposal to be voted upon would assess each Albany homeowner between \$5.00 and \$7.00 per year or \$2.00 per resident, based upon the present 14,000 population of the city. This point alone, the difference between the national figure of \$9.40 based on a survey of 871 cities made for the Municipal Year Book, and the proposed \$2.00 levy, convinced all present of the value of the proposed measure.

The citizens committee is composed of representatives from the following local organizations: Marin, Cornell and Albany High Dad's Clubs; Marin, Cornell and Albany High P.T.A.'s; Recreation Department, City School Department, American Legion and Auxiliary, Eagles, Veterans of Foreign Wars and Auxiliary, Rotary, Lions and Exchange Clubs, Maccabees Tent and Hive, Men's and Women's Breakfast Clubs, N.D.G.W. Announce Winners
Of Tennis Tourney

Junior tennis champs were crowned Sunday, October 21 at Memorial Park. George Chessum, director of the tournament, stated that Claire Boomershire defeated Gloria Severine 6-0 and 6-1. Ralph Fowler scored an oppressive 6-0 and 6-1 victory over Bob Varblow in the 18 and under class. Helen Crean defeated Ruth Miller in a hard fought match 6-3, 6-1 and Jack Vetterli defeated Bob Irish in a terrific contest 6-3, 6-4 in the 15 and under class.

Superintendent of Recreation, Edwin S. Howell, stated that Claire Boomershire, Helen Crean, Jack Vetterli and Ralph Fowler were officially declared city wide champs and have earned the right to compete against other bay area cities October 28 and November 1.

Ruth Miller, Gloria Severine, Bob Varblow and Bob Irish will be awarded runner-up prizes for their district.

Education Board
Reports Growth of
Codornices School

At the regular Board of Education meeting held on Thursday evening, October 12, it was reported that Codornices School is growing rapidly and had at that time an enrollment of 482 pupils. Of these, 287 were from the Albany side and 195 were from the Berkeley side of Codornices Village. Due to the rapid growth of the new school, the Board of Education authorized the Superintendent to employ 4 new teachers and a half-time secretary.

New teachers recommended for employment were: Mrs. Margaret W. Owens, Mrs. Frieda L. Sims, and Mrs. Teresa Yardstrom. Employment of the additional teachers will reduce the average class size to approximately 38.

The Board of Education also authorized the insuring of Codornices School in the amount of \$71,000. The building being valued at \$68,000 and the contents at \$3,000.

Additional items reported at the Board Meeting included a statement that 450 students were enrolled at Albany Evening School. It was also announced that certain evening school classes had qualified as vocational classes and that attendance at these classes entitled the district to Federal and State vocational education funds in the amount of \$294.27. This is the first time any funds of this type have been received by the Albany School District.

Thousand Oaks P.T.A.
Sets Time for
County Fair Day

Mrs. L. P. Henderson, room mother of the Low Fourth grade at the Thousand Oaks School, entertained at her home in 865 Contra Costa Road, the mothers, and teacher, Mrs. Fay Wyatt, at the room tea on Tuesday afternoon, October 17th, at 3 o'clock. She was assisted by Mrs. A. H. Batchelder and Mrs. Wm. Hatch. The honor guests will be C. K. Hayes, principal and Mrs. H. T. Maschal, Parent Teacher Association president.

At the regular meeting of Thousand Oaks Parent Teacher Association on last Wednesday, the date of November 10th was set for Country Fair day at the school. The sewing committee announced a large assortment of aprons, pot-holders and novelties already completed.

Witches, crowns, black cats and skeletons will march on the school grounds on Tuesday, October 31st. The grand march will start at one o'clock. Prizes will be awarded for the most original costumes. Refreshments will be served by P. T. A. committee and games will be under the direction of Martha Loeffler, the playground director.

Legion to Give
Entertainments
For Servicemen

By W. L. HOLLAND

On Friday evening, October 20th at the Albany Memorial Building, Albany Post 292, The American Legion will resume a series of shows and entertainments for the convalescing boys from the Bay Area Service Hospitals. It is the plan of the Post to continue these shows throughout the fall and winter on the third Friday of each month. The resumption of this program was in part made possible by the splendid support and cooperation the Post received from the citizens of Albany and surrounding territory in the Successful Waste Paper drive and collection the Post conducted in early September with co-sponsorship of the American Newspaper Association.

This series of programs will be under the direction of Edwin Wood the Post's entertainment chairman and Wood with his committee are scouting and contracting talent for the entire series of shows, according to Wood, "we intend not only to have a variety of good acts, but every act we sign is top in the field of entertainment."

Prior to the entertainment features of the evening (Friday) George W. Hickman, Albany Post's chairman on Proposition No. 1 on the State Ballot, will address the Post members in regard to this State's Bond proposal to help Veterans purchase a farm or home. Hickman was one of those who drafted the original Veterans Welfare act for California when he served on the American Legion's Legislative committee and the present proposition for \$30,000,000 is a continuation of the provisions of the original act in order to grant veterans of World War Two the same help and provisions toward obtaining homes and farms as the Veterans of World War No. 1 enjoyed. The others serving with Hickman to get favorable consideration from the voters in Northern Alameda County on Proposition No. 1 are William Garren and Lawrence Williams.

According to Commander Lee J. Carroll the Committee in charge of the Albany Proposition for Post War planning to be on the November ballot will be guests of the Post Friday and it is expected that the Post members will be asked to endorse or give favorable consideration to the Albany Proposition on the ballot.

Albany Red Cross
Workroom Reopened

The Albany workroom of the Red Cross Surgical Dressings Workrooms reopened during the week of October 16, after a vacation of three weeks.

All workrooms in Berkeley and Albany were closed for the same period, as high production levels made the vacation possible. Under the leadership of Mrs. J. M. Perlewitz, the Albany workroom will hold its meetings Tuesday, Thursdays, Fridays and Wednesday evenings, at 1114 Solano Ave. Meetings will also be held at 763 Arlington Ave. on Wednesdays and Thursdays, under the guidance of Mrs. H. R. Argubright and Mrs. R. H. Griffith, and in Kensington-Berkeley Park, 500 Coventry Road, Wednesdays, Thursdays and Fridays, under the leadership of Mrs. J. H. Hildebrand.

Material has been received by the Berkeley Red Cross chapter for 366,000 dressings to be made during the fall and winter months.

There are still a few appointments open for the blood donor service of Berkeley chapter, which will be held Thursday and Friday, Oct. 26 and 27, at Trinity Methodist Church, from 9 a. m. to 12:40 p. m.

The importance of keeping an appointment with the Mobile Blood Procurement Unit, or notifying Red Cross headquarters at least 24 hours in advance of an unavoidable cancellation, cannot be stressed too strongly, according to Mrs. Walter E. Teasdale, chairman. The quota of 160 filled units must be met at each visit of the Mobile unit.

PROCLAMATION
TO THE CITIZENS OF THE
CITY OF ALBANY:

WHEREAS, the United States Navy is fighting the battle for freedom in the waters of the aggressors, and

WHEREAS, by national tradition the appreciation the people of the United States hold for their Navy is annually emphasized through the setting aside of one day to acclaim that branch of the armed forces;

Therefore, I, Bert E. Hill, Mayor of the City of Albany do hereby proclaim October 27, 1944 as "NAVY DAY" and call upon the Schools, civic groups, and citizens to join in paying respect to the men of the UNITED STATES NAVY, MARIN CORPS, COAST GUARD, and MERCHANT MARINE; to take part in observance of this day through the purchase of War Savings Bonds, thereby letting the men of the UNITED STATES NAVY know the depth of your gratitude.

WHEREUNTO, I have set my hand this 16th day of October, 1944.

BERT E. HILL,
Mayor of the City of Albany.

EAGLES
HEAR
JOHNSON

Albany Eagles Monday night were hosts to Berkeley Aerie with Assemblyman Gardiner Johnson of this district, a member of Berkeley Aerie, as guest speaker of the evening. Seventeen new candidates were initiated into the order on this occasion which was known as "Berkeley Night." Officers of Berkeley Aerie exemplified the initiatory ritual.

Johnson, who is a member of the all important State post-war planning committee, spoke before one of the largest crowds to attend the local meetings this year, stating that East Coast industry should not be permitted to "get the jump" on the West in post-war reconversion. Reconversion, he said, must be undertaken on a coast to coast basis.

Johnson said also, that the West Coast war industries should be retained as a nucleus for a new economy which, with plants back in the hands of private industry, will make the Pacific States area a stabilizing force of the whole nation.

Referring to suggestions that after the defeat of Germany, eastern industry be permitted to convert to peacetime production, Johnson said:

"I say to you that the winning of the war over Japan is the responsibility of all our country. Any other policy would delay the day of final victory and it would also impair the economic well-being of the entire nation."

"The task of reconversion," he emphasized, "like the task of winning the war, must be on a nationwide basis."

When the war is won, he continued, the whole nation will "have a stake" in the West's economic and industrial development.

During his talk, Johnson pointed out that unity within the State of all political parties augured well for the future of the state on post-war planning and discussed at length the several conferences to date of the Council of State Governments of the western states who are joining together in post-war plans for a better future for all.

New members initiated at the meeting were:

Maurice P. Duncan, L. P. McHale, Leslie B. Roden, Otto M. Anderson, Charles Boles, Sal Freschi, Fred M. Kirby, James Nottingham, Floyd G. McDonald, Charles Graeber, Joseph W. McKay, Elmer M. Owens, George Ratkay, James Sulpizio, John O. Stevens, Harold J. Taylor and Glen R. Wolfe.

Local Eagles will celebrate the sixth anniversary of the institution of the local Aerie on Saturday night, November 4th, when they hold a dinner and dance at the Mira Vista Country Club.

CITY COUNCIL REPEALS
OUTDATED ORDINANCES

Albany to Receive
Federal Aid

The following telegram was received by Mrs. Beatrice Raymond, secretary-manager of the Albany Chamber of Commerce, this week:

"Just been advised by Federal Works Agency that California Docket 4-M-440 for City of Albany for fire protection facilities has been granted. Federal contribution \$20,915 for period October 1, 1944 through June 30, 1945. Also been advised that California Docket 4-M-441 Albany police facilities applicant City of Albany has been granted Federal contribution \$15,497 for period October 1, 1944, through June 30, 1945."

(Signed) JOHN H. TOLAN,

Member of Congress

By Virginia Bland, secretary. Mrs. Raymond stated that further details will be forthcoming at a later date and also that much credit is due Edwin Howell, superintendent of recreation in Albany, who has been exceedingly helpful in securing these appropriations.

Cornell Dads to
Have Annual
Halloween Dance

The Annual Halloween Informal Dance of the Cornell Dads' Club will take place in the Cornell School auditorium, Saturday evening, October 21, at 8:30 p. m.

Cliff Lockhart, Dads' Club president has extended a special invitation to Navy parents of children attending Cornell School to come and join in the Halloween games and dances.

Lockhart stated that music will be furnished by the Naval Landing Force Equipment Depot orchestra and that special tribute will be paid to the Navy in honor of Navy Day, October 27, during the evening.

There will be no admission charge as members of the Dads' Club, P.T.A., and friends, are cordially invited to officially open the fall monthly dance program sponsored as a recreational event, the 3rd Saturday of each month.

Decorations are in charge of Maurice Giles, secretary of the Club, and the dance committee is composed of Cliff Lockhart, Frank Corey, Maurice Giles, Carl Temple, Ronald Gilstrap, Ed Howell and William Woolworth.

Legion Auxiliary Starts
Membership Drive

New eligibility provisions which extend membership in the American Legion Auxiliary to women of World War 2 families were explained today by Mrs. Juanita Cooke, Membership Chairman of Albany Unit 292, as enrollment of members for 1945 progressed under her able leadership.

"The first group of new eligibles, and those for whom we have a place of special honor in the Auxiliary," said Mrs. Cooke, "are the mothers, wives, sisters and daughters of the men who have given their lives in the nation's service. We welcome them as Gold Star members and we hope that their association with Auxiliary activities will help lighten the burden of their grief."

"Another group newly eligible to Auxiliary membership is composed of the mothers, wives, sisters and daughters of men and women honorably discharged from the service and who have joined the American Legion. As the Auxiliary is a supporting force for the Legion, veterans must become members of the Legion before the women of their families can be Auxiliary members."

"Women who themselves have been regularly enlisted in the armed forces and have been honorably discharged, form a third group of eligibles."

"Mothers, wives, sisters and daughters of men and women now in service are not yet eligible to Auxiliary membership. The American Legion is a veteran's organization open only to those who have completed war service, and the Auxiliary can accept only women from the families of Legionnaires."

After months of diligent and comprehensive study by City Engineer Frank Grey of many outdated city ordinances, results were given to the City Council Monday evening when City Attorney Joe Young presented a 'streamlined' ordinance replacing 46 of the outmoded Albany regulations.

The new ordinance was given its first reading at the Monday meeting. It defines the office of city engineer and his duties as a superintendent of public works and sets forth rules and regulations relating to streets, curbs, sidewalks and grades.

The ordinance is part of a current plan to remodel all of Albany's outmoded ordinances, bringing them up-to-date in a clarified form for facility in understanding and enforcement. The ordinance was unanimously approved by council members.

Also given first reading at this session was an amendment to the traffic ordinance making it unlawful to disobey any audible or visible signal or direction by an Albany police officer. The amendment was drawn up by City Attorney Young upon request of Police Judge Louis Hardie who said a recent refusal of a motorist to move, thus holding up traffic at San Pablo and Solano Avenues, revealed that no specific ordinance covered disobedience to a local officer's directions.

At this meeting final reading and approval was given to an ordinance repealing an ordinance naming the city of Albany as the sponsoring agency for the Farmers' Free Market, established in Albany a few months ago, and now given over to private control.

Marin P.T.A. Hold
Friendship Teas

The first of the Marin Friendship teas was given on Oct. 11 for the mothers of first grade pupils. A colorful autumn theme was used in the decorations. Nut cups in miniature autumn leaf shape were made by the room mothers. Mrs. E. S. Klarman room mother chairman introduced the guest speakers: Paul Bryan, Supt. of Schools; Eugene Baker, Marin Principal; D. N. Rowe, Albany night school principal, and Mrs. E. H. Schorsch, P. T. A. president.

It was one of the largest teas ever given at Marin, there being 72 present. To Room Mothers Mrs. Ted Maxwell, Mrs. W. B. LeDuc, Mrs. Ned Shobert, and assistants Mrs. Dallas, Mrs. Cox, Mrs. Scott, Mrs. Herman, Mrs. Grisham and Mrs. Freeman goes the credit for this lovely tea.

Three more Friendship teas are to be given at Marin school this coming week. On Oct. 23 Room Mothers Mrs. J. E. Weiss, Mrs. U. E. Pelousa, and Mrs. M. K. Molesworth and teachers Mrs. Ross, Mrs. Gratton and Mrs. Lawton will greet mothers of the third grade. The motif for this tea will be of Indian origin as this is the present study theme of third grade students.

Oct. 25, Kindergarten pupils will present a combined French and U. S. victory display under the guidance of Miss Seeger and Miss Prat. Room Mothers Mrs. F. S. Klarman, Mrs. Chas. O. Utterbach, Mrs. Whitney, E. L. Cox, and Mrs. J. D. Durham have carried the red, white, and blue idea through to the tea table decorations. Since the French have the same colors in their flag as do the United States, this promises to be one of the most interesting and colorful teas for this year.

On Oct. 26 Miss Brubaker assisted by Mrs. J. T. Robbins, Miss Cullinane assisted by Mrs. A. J. Dallas, and Mrs. Westshoreland assisted by Mrs. R. H. Pawson will entertain mothers of the Fifth grade.

We hope that all men now serving, soon will be victorious war veterans, back home and enrolled in the Legion. Then all mothers, wives, sisters and daughters of those who have served will be eligible to join us in the Auxiliary's great work," concluded Mrs. Cooke.

Mrs. Cooke further stated that she is very anxious for any of these eligible women to attend a Membership Tea at her home 636 Spokane, on Sunday afternoon Oct. 22nd, from 3 to 6 p. m.

The teas are annual affairs to give parents the opportunity to become familiar with the child's school environment.

Hi 'Y' Inducts 15 New Members

The Albany chapter of the Boys' Hi Y on Tuesday, October 3rd, initiated 15 members into the organization.

After being made to bear several injustices, such as putting on their clothes backwards, drinking a vitamin cocktail, the ingredients of which are still unknown, being made-up indiscriminately by the regular members, ducking for non-existent apples, and getting down on their knees and saying, "Allah," the new members were told they would be formally inducted, the next week.

New members include: Ed Alvarez, Eugene Baker, Bill Bonnington, Carl Crist, David Dows, Fred Duncan, Hugh Fasset, Lloyd Ferguson, Don Graeber, Guy Hudson, Carl Johnson, Dick Murray, Orville Nelson, Ray Swan and Bob Varblow.

LOUISE ERICKSON

Football season is just around the corner and all the college queens are getting their "little foxes" out of moth balls in preparation for the first big pigskin event. LOUISE ERICKSON is no exception. Although she is the new Marjorie on NBC's "The Great Gildersleeve" show, she is also a freshman at U.S.C., and she is looking forward to the time when she can preview her new beaver topper . . . it is a tuxedo model featuring those luxurious deep fur cuffs.

Sweater girls are in the fashion picture again this season and FAYE EMERSON was modeling her pet at the Players last week. It's a white handknit with high neck and short sleeves, with an original note of interest in the red felt heart pierced by a jewel handled dagger. This is applied on the left side just over the heart. Cascading from this are three large drops of blood in red felt. . . . JOAN BENNETT has acquired a sweater dress. It is a spice brown long sleeved sweater, similar to a fencer's, worn under a chemise type sports jumper of amber colored suede-cloth. A spice brown velvet skull cap goes with it.

SUGGESTION OF THE WEEK: Abundance, vitality, and shine are necessary for hair beauty and NBC's GINNY SIMMS attributes the healthy appearance of her hair to the fact that she brushes it every day. She always brushes up and out—not flat down. She says to lean forward and stroke your hair from side to side, away from the direction in which it naturally falls. Then straighten up and comb it into place. Be sure that your brush is firm enough to do a good job, with long bristles that reach through to the scalp. Keep your brush well washed and when it comes to brush and comb, neither a borrower nor a lender be. Don't be afraid to spoil your wave by brushing, if you take care not to brush when your hair is wet. An unbrushed wave doesn't look pretty and has a tendency to part and straggle.

### Cornell Fathers, Sons Night October 20

Cornell's Annual Father and Sons' Night will be held Friday evening, October 20, at 8:00 p. m., according to Cliff Lockhart, Dads' Club president.

A special athletic and musical program has been arranged for the benefit of the Dads' and Sons.

The entertainment will include a professional acrobatic number by Art Alegre, boxers and tumblers from the Albany Y.M.C.A., music selections from the Albany High School, and the feature attraction of the evening professional boxing matches by members of the Albany Naval Landing Force Equipment Depot.

Lockhart has extended a special invitation to all Dads' having children in Cornell School, to join the Club and support the welfare work of the school.

### Albany Theatre Presents Varied Program for Week

"Four Jills and a Jeep," which is now showing at the Albany, is the year's biggest musical based on the hilarious and romantic adventures of Hollywood's front line junket. Stars of this picture are Kay Francis, Mitzi Mayfair, Carole Landis and Martha Raye, with Jimmy Dorsey's band, and with a command performance by Alice Faye, Betty Grable, Carmen Miranda with George Jessel as M.C.

On the same bill is the picture story of the year about the family of the year "The Sullivans." The story follows closely the real life activities of the Sullivan family before their five sons entered the armed forces and were lost at sea. Thomas Mitchell heads the cast of this remarkable true story.

Starting Sunday a new Durbin comes to the screen with Gene Kelly in the W. Somerset Maugham story, "Christmas Holiday." Critics have been lavish in their praise of Deanna's new acting ability. On the same bill is Maxwell Anderson's "The Eve of St. Mark." This is a story of fighting men in the gun-thundering hour of glory.

### SHOCK ABSORBERS

Regular inspection of the shock absorbers on an automobile and refilling if necessary, are recommended by the California State Automobile Association as a necessary point in car conservation.

There is a BIG War Job ahead in the Pacific!

## STAY ON THE JOB and see it through!

There are no foxholes of postwar security in the Jap-held islands of the Pacific and the mainland of Asia. Our Army, Our Navy, Our Marines, Our Air Corps have a tough and bloody job ahead to liberate China and dictate the terms of surrender in Tokyo. The need for ships and supplies has yet to reach the peak demand in this vast Pacific war. It is a need that calls for ALL hands on the job to see the job through.

Stay on your job and see it through. Save all the money you can and put it into War Bonds. Think and plan your postwar future of course.

Look around and make your plans. Your family will like the home comforts here of California Living with Natural Gas and Electricity in cheap and dependable supply. Compare and you will find the cost of gas and electricity among the very lowest in the Nation. It was that way before the war, during the war and will be that way after the war.

PG and E  
PACIFIC GAS AND ELECTRIC COMPANY

During the past 10 years, while living costs have gone up 27%, P. G. and E. has reduced the cost of electricity 24%—gas 31%.

Albany High Supports Sportsmanship Code

Student Body President Clyde Jeffreys of Albany High School, announced that the sportsmanship code adopted by the Alameda County Athletic League presidents last week will be strictly adhered to at Albany High Athletic contests.

The A.C.A.L. presidents met to establish an understanding against the unsportsmanlike attitude among the rooters at the A.C.A.L. games. The code adopted for the high schools as announced by President Jeffreys follows:

1. Promote good sportsmanship in all ways possible before and after games.
2. Each school be responsible for acts of their respective student body members.
3. Encourage a better attitude of competition on the part of spectators at all athletic contests.
4. When possible, send exchange representatives to appear before assemblies or rallies, before scheduled league games.
5. Provide separate bleachers for the rival school rooters, who shall be kept separated. The home team shall provide at least two uniformed policemen to work with student control groups, to keep rival rooters entirely separated.

"As a matter of course, there never has been any sound basis for the 'Don't Change Horses' argument. Were it sound in its relation to politics, it would mean that no public official could ever be replaced."

F. D. ROOSEVELT, April 18, 1932

On the floor of the Senate, four months before Pearl Harbor, in describing the shocking state of our country's defense program:

Harry S. Truman: "There is only one place where the responsibility can be put."

Senator Vandenberg: "Where is that—the White House?"

Truman: "Yes, sir."

"Tax and tax. Spend and spend. Elect and elect."

F. D. ROOSEVELT, January 12, 1939

"Taxes are paid in the sweat of every man who labors because they are a burden on production and are paid through production. If these taxes are excessive, they are reflected in idle factories, in tax-sold farms, and in hordes of hungry people, tramping the streets and seeking jobs in vain."

**POST-WAR GREYHOUND BUSES PLANNED**  
  
That Greyhound is looking ahead to the post-war era with optimism is shown by the well-developed plans for new buses, to be produced as soon as manufacturing facilities are released. The nationwide bus company, which has long been a leader in the development of finer highway transportation, recently let contracts for construction of experimental models of a new compartment coach to seat fifty-one passengers. These will be built by Con-tion, equipped with an air-cooled avia-tion type engine, and by General Motors, whose models will be diesel-powered. It is expected that the ex-perimental models will be ready for road tests early next year.  
The buses will be the same width and length as the present largest coaches, but slightly higher. Passen-gers are seated in three compart-ments, and the new arrangement ac-tually will give more comfort, leg room and freedom of movement than any previous commercial buses. There also will probably be space for rest room facilities and light lunch service.  
The use of plastics and larger curved windows will result in im-proved streamlining and greater vis-

**GIRLS' WEEK AT ALBANY HIGH**  
Albany High School Girls' Week festivities will be held the week of October 23 to 27. The program will be under the direction of Miss Marion Gilsenan, dean of girls. Taking part in the activities of the week will be 75 girls and some 800 spectators.  
"Bobbie Sox" tags, typifying the theme of the Fourth Annual Girls' Week, will go on sale at Albany High School Monday, October 23 by all Girls' League Representa-tives and members of the Girls' League Executive Board. The tag, which will cost 15c, entitles a stu-dent to attend all the activities of the Girls' Week, October 23-27. A 10-cent admission will be charged any student who has not purchased a tag but who wishes to attend any one of the functions.  
Events of the week will be pub-lished in the "Bobbie Sox Bugle," the girls' Newstette, which will be presented to every student on Mon-day morning.  
As the featured event of the week the Alameda Coast Guard Band will provide the entertainment for the assembly Tuesday. At Tues-day noon, the Girls' League Execu-tive Board will be host to the Boys' League Executive Board at a luncheon planned to bring about better cooperation and friendship between the two leagues.  
After school on Wednesday the mothers of low eighth grade stu-dents will be entertained at a tea in room 106, with the Hostess Club assisting the serving. Refresh-ments will be made and served by the low eighth grade girls.  
Revived again will be the faculty-student game, a softball contest to be played on the school turf at noon on Thursday.  
Girls who are members of any one of the seven Girls' League Clubs: the Honorary, under the direction of Miss Miriam Gilsenan; Big Sisters, under the direction of Miss Margaret Gilchrist; Hostess,

under the direction of Mrs. Edith Wohlberg; U. S. O., under the di-rection of Mrs. Agnes Bonde; Jr. Red Cross, under the direction of Miss Helen Booth; Leadership and the G. A. A. Cabinet, under the direction of Mrs. Arilee Pollard and Miss Margaret Mylne, will be guests at a luncheon held Monday noon in the Memorial Park.  
The Girls' League will present half of Friday's rally for the Berke-ley-Albany game, an entertainment that promises to outdo the vaude-ville program of even last year's "Gay Nineties" faculty assembly.  
"Girls' Week" is sponsored and presented by the Girls' League Executive Board under the super-vision of their adviser, Miss Miriam Gilsenan.  
Boys, as well as girls may pur-chase tags.

**We Democrats Don't Want Four More Long Years of BROKEN PROMISES!**

We used to be proud of being Democrats. We've been patient through twelve long years — too patient, it seems. But now our patience is exhausted. We've listened to promises, hopefully... promises made in acceptance speeches, in inaugural addresses, in fireside chats, in messages to Congress. Masterpieces — all of them — full of promises which have never been kept.

**As Al Smith Used to Say: "Let's Take a Look at the Record."**  
(Only three of countless broken promises; it would take a book to record them all)

| Mr. Roosevelt Promised:<br>(July 2, 1932)                                                                                                                                                                                                                                                                       | Mr. Roosevelt Promised:<br>(June 27, 1936)                                                                                                 | Mr. Roosevelt Promised:<br>(July 19, 1940)                                                                                                                                                        |

| "For three long years I have been going up and down this country preaching that government—federal and state and local—costs too much. I shall not stop that preaching. As an immediate program of action, we must abolish useless offices that are not definitely essential to the continuance of government." | "We are poor indeed if this nation cannot afford to lift... the dread fear of the unemployed that they are not needed in the world."       | "... the added task which the present crisis has imposed... calls for constant co-operation between the executive and legislative branches, to the efficiency of which I am glad to pay tribute." |
| <b>Then What Happened?</b><br>On October 31, 1932, there were 568,345 federal civil service em-ployees. On July 1, 1944, there were 3,112,965.                                                                                                                                                                  | <b>Then What Happened?</b><br>The American Federation of La-bor figures for January, 1940, four years later, showed 10,156,000 unemployed. | <b>Then What Happened?</b><br>Senator Barkley said, comment-ing on a Roosevelt message to Congress: "... a calculated and deliberate assault upon the integ-ri-ty of every member of Con-gress."  |

**The Era of Broken Promises Must Be Ended!**  
Promises to reduce the federal debt (eleven of them), promises to labor, promises to industry, promises to farmers, promises to groups and individuals, have been made and "forgotten." Now let's see that the prize promise of all is kept. Mr. Roosevelt made it in 1940 when he said, "When that term is over there will be another President."

**AN** appetizing luncheon dish is this crusty brown meat ring to be served with a rich meat gravy and a savory tomato or mushroom sauce. Yet the recipe requires only two cups of ground cooked meat so it's a thrifty entrée in both ration points and price.

This meat ring is an excellent way to utilize leftover meat, whether beef, lamb, veal, or ham. If you'd like to serve the ring, but haven't any leftover meat on hand, use a browned hamburger or 1/4 pound of dried beef.

The biscuit ring dough is made with blended shortening, a versatile product prepared by scientifically blending meat fats and vegetable oils. It has excellent shortening over, makes tender, flaky biscuits and gives foods an appetizing richness. Remember that fats are an important part of a well-balanced diet, so budget the family ration points to allow the purchase of both table spread and cooking fat each week.

There was a time when some thought that fats were indigestible, but science has come to the rescue and food experts today tell us that fats are actually easily digested, both table spreads and cooking fats. It's comforting to know that products like blended shortening, that make foods taste so rich and good, are also good for us.

With this flavorsome meat ring serve a buttered green vegetable, as broccoli, green beans or peas, and a fruit salad, such as apple and celery salad. This ring will serve six persons.

**Meat Ring**  
1/4 cup blended shortening  
2 cups sifted flour  
2 teaspoons baking powder  
1/2 teaspoon salt  
1/2 cup milk

**Filling**  
2 cups ground, cooked meat  
1 cup white sauce or gravy  
1/4 cup diced green pepper  
2 tablespoons diced onion  
Salt, pepper

Sift together flour, baking powder and salt. Cut in shortening until mixture is the consistency of coarse cornmeal. Stir in milk to form a stiff dough. Turn onto lightly floured board or pastry cloth and knead gently 2 or 4 times. Roll out into rectangular sheet about 1/2-inch thick. Spread with meat filling. Roll up jelly roll fashion and shape into a ring. Place on baking sheet and cut with scissors at 1-inch intervals almost through ring. Turn each slice slightly on its side. Bake in a moderate oven (375° F.) 25 to 30 minutes.

For a brown gravy, blend 4 tablespoons of flour with 4 tablespoons meat drippings. Add 2 cups of meat stock, water or milk. Cook slowly to thicken, stirring to keep smooth. When thick and bubbly season and serve. If a mushroom gravy is desired, wash and clean mushrooms, slice, brown in fat before making gravy.

**'Y' NOTES**  
By ELMER COBLE

The Junior Hostesses of Albany YMCA for the servicemen's committee will be guests of the Navy Landing Force Equipment Depot at the Friday evening dance, according to Mrs. R. E. Perkins, Mrs. A. B. Redding and Mrs. C. Noe, chairmen. Post card notices have been sent to all of the young ladies and they are to meet at the 'Y' at 7:30 sharp from whence they will be taken by bus to the depot and at an appointed hour will be returned by bus.

T. Amorin from Brazil was the guest speaker at the Girls' Senior Hi-Y Club of the Albany YMCA Monday evening. Mr. Amorin spoke of life in Brazil pertaining to 'teen age boys and girls. Movies of his native country were also shown. President Shirley Novell presided at this interesting session. Mrs. A. Pollard, club adviser, attended the meeting for the first time.

The regular meeting of the Boys Junior Hi-Y Club was held Wednesday evening at the Albany YMCA. Lyle Welch was the presiding officer. T. Amorin of Brazil spoke to the boys of his native land and showed motion pictures of his South American country. A number of new members will be inducted into the club at a date to be announced later. George Yarnell, club adviser, spoke to the boys about the 'touch' football league and the games to be played in the future.

**Why PROPOSITION No. 12  
MUST BE  
DEFEATED**

A STATEMENT by Alfred J. Lundberg, President of the Key System, Past President, California State Chamber of Commerce and Oakland Chamber of Commerce.

**WHEN** I accepted the Chairmanship of the East Bay Citizens' Committee against Proposition No. 12, I did so because I believe the whole community—our whole state—has a vital stake in seeing this measure snowed under.

Its proponents are trying to make No. 12 a party issue and a capital vs. labor issue. It is neither. I am a Republican and so are thousands of others who are against it. I employ 2,500 people and almost every other employer I know shares my view that this measure must not pass.

As I see it, Proposition No. 12 is a measure put forward by a group of employers who would like to freeze their particular ideas of labor relations into our State Constitution—regardless of consequences.

Seemingly, they forget we still have ships and planes to build and a war to win. We haven't the time to fight on two fronts. For

you may be sure that endless lawsuits and arguments would inevitably follow the complete destruction of our labor relations structure, as called for by Proposition No. 12!

Whether you are an employer or an employee, a Republican or a Democrat, a union member or a union-hater—as a citizen—we call on you to vote No! on Proposition No. 12. By so doing we can keep all the fighting out on the fighting fronts until the war is won.

About \$220 base pay

This is one of Southern Pacific's finest jobs—and normally not easy to get. Today, we have a few openings—no experience needed to start. After a couple weeks or so of training you can qualify as a regular R. R. Fireman. . . get right up there in the cab with the engineer and go places. (By the way, all Southern Pacific locomotives burn oil, not coal. No shoveling. Just turn a valve). No getting around it, this job has a bit of a thrill to it. It gets in your blood. You'll like S. P. men. Like knowing you're with a company whose biggest war job is still ahead—carrying war materials for the stepped up offensive against Japan. Railroad pass privileges. Fine pension plan. Medical services. A job, men—a real job! Look into this today.
